# STEM ENDORSEMENT OPTIONS

- Option 1: CTE
- Option 2: Computer science
- Option 3: Math (5 total credits)
- Option 4: Science (5 total credits)
- Option 5: Combination

Required Courses:

Algebra II, Chemistry, & Physics

# BUSINESS & INDUSTRY ENDORSEMENT OPTIONS

- Option 1: CTE
- Option 2: English (4 credits that include 3 levels in Adv. Journalism or Debate)
- Option 3: Combination

# PUBLIC SERVICE ENDORSEMENT OPTIONS

- Option 1: CTE
- Option 2: NJROTC (take 4 NJROTC courses)

# ARTS & HUMANITIES ENDORSEMENT OPTIONS

- Option 1: Social Studies (5 Social Studies credits)
- Option 2: Foreign Language – Same language (4 levels of Spanish)
- Option 3: Fine Arts
- Option 4: English (4 credits in English IV, Creative Writing, Humanities, AP English Lit, AP Eng Lang)

# MULTIDISCIPLINARY ENDORSEMENT OPTIONS

- Option 1: Advanced CTE
- Option 2: Four by Four
- Option 3: AP or Dual Credit – 4 credits

**GETTING STARTED**

**Course Selection Process**

# COURSE SELECTION PROCESS

---

- Counselors presented to your students Monday, February 6 and sent home instructions to complete their courses on XELLO.
- Student & Parents will log into XELLO and get this completed for individual student meetings with their counselor later in the week.
- Each school year, counselors will meet with each grade level to review 4-year plans, graduation requirements, and endorsements as they enter schedules for the next school year.

# ENDORSEMENT DECISION

---

- Each student shall specify in Skyward the endorsement the student intends to earn upon entering Grade 9.
- Student will log into their Skyward account.
- Students have the opportunity to change endorsements during high school. Schedules may only change at semesters pending approval/space

- On left hand side they will click on Endorsements tab. At the top they will click “declare and endorsement”

The screenshot shows the Skyward Student Access interface. On the left sidebar, the 'Endorsements' tab is highlighted with a red circle. The main content area is titled 'Endorsements' and contains two sections: 'Declared' and 'Achieved'. In the 'Declared' section, there is a table with columns 'Endorsement' and 'Option'. A button labeled 'Declare an Endorsement' is circled in red. The 'Achieved' section shows 'No Achieved Endorsements'. Below these sections, there is a 'Check Progress on any Endorsement' section with dropdown menus for 'Endorsement' (set to 'Arts and Humanities') and 'Option' (set to 'Option A: Social Studies'). It also displays status information: 'Option Status: Not Met', 'Credit Status: 0.000 of 5.000', 'Grad Req Status: Not Complete', and 'Grad Req Remaining: 26.000'. A 'Graduation Requirement Detail' link is at the bottom.

- Select the endorsement they want to choose from the drop-down menu. Then check “I agree” and it will auto sign and date for them. Then they will hit “save”.

The screenshot shows the 'Declare Endorsement' dialog box. The 'Endorsement' dropdown menu is open, showing a list of options: 'Multidisciplinary Studies', 'Business and Industry', 'Arts and Humanities', 'Public Services', and 'STEM'. The 'Arts and Humanities' option is highlighted. Below the dropdown, there is a text area with a signature agreement. A checkbox labeled 'I Agree' is circled in red. At the bottom right, there is a 'Save' button, also circled in red. The dialog box includes fields for 'Signed By' and 'Date Signed'.

- After student chooses their Endorsement, parent will log into Family Access and click on Endorsement tab

# WHAT CLASSES SHOULD I TAKE?

Things to consider  
when building your  
schedule

# BENEFITS OF ADVANCED / AP / DUAL CREDIT CORE CLASSES

---

- Exposes students to a challenging/rigorous curriculum to prepare for college-level/post-secondary curriculum in future years
- Increase student's overall GPA
- Helps students prepare for Advanced Placement/Dual Credit courses
- Improve performance on standardized assessments
- Helps you/parents save \$\$\$\$

# DISTINGUISHED LEVEL OF ACHIEVEMENT

---

A student may earn a Distinguished Level of Achievement by successfully completing:

- The graduation requirements for the Foundation Graduation Plan with an Endorsement
- One of the credits in mathematics must include Algebra II.

**\*\*\* In order to be considered for the Top 10% Automatic Admission to a public university in Texas, a student must graduate with the Distinguished Level of Achievement \*\*\***

		Biology Technician	Zoology/ Animal Biology	Biological and Biomedical Sciences	Veterinarians	\$93,496	294	24%
					Zoologists and Wildlife Biologists	\$67,309	45	32%
Additional industry based certification information is available from the TEA CTE website.					<b>WORK BASED LEARNING AND EXPANDED LEARNING OPPORTUNITIES</b>			
For more information on postsecondary options for this program of study, visit TXCTE.org.					<b>Exploration Activities:</b> Texas FFA	<b>Work Based Learning Activities:</b> Agri-Science Fair 4H Volunteer at a local farm or veterinary office		

The Animal Science program of study focuses on the science, research, and business of animals and other living organisms. It teaches students how to apply biology and life science to real-world life processes of animals and wildlife, either in laboratories or in the field, which could include a veterinary office, a farm or ranch, or any outdoor area harboring animal life. Students may also research and analyze the growth and destruction of species and research or diagnose diseases and injuries of animals.

The Agriculture, Food, and Natural Resources (AFNR) Career Cluster® focuses on the essential elements of life—food, water, land, and air. This career cluster includes a diverse spectrum of occupations, ranging from farmer, rancher, and veterinarian to geologist, land conservationist, and florist.

Successful completion of the Animal Science program of study will fulfill requirements of the Business and Industry Endorsement.  
Approved Statewide Program of Study - September 2019

**For more information about CTE  
Programs of Study or the P-TECH  
program please contact:**

# Pathways in Technology Early College High Schools

## **P-TECH – What is it?**

- **P-TECH** provides students with a seamless path from high school, to post-secondary education, to employment.
- **Students enrolled in the P-TECH program work toward an associate degree while gaining hands-on work experience.**
- **Through the GPISD P-TECH program, our Wildcats are provided the opportunity to earn dual credit (high school and college credits) while enrolled in high school classes as well as Del Mar College classes.**
- **P-TECH establishes a pathway to Nursing school or other health science related fields. It also provides an opportunity for students to earn multiple Industry Based Certifications.**

*Pathways In Technology Early College High School*

# P-TECH POINTS TO PONDER

- The Class of 2026 will be the first cohort of P-Tech graduates!
- **EKG, Phlebotomy, Patient Care Technician, & EMT** are Industry-based certification options offered through the G-P P-Tech program
- Most P-TECH courses will be at the GPHS campus, and some may require travel to Del Mar College.
- The #1 industry for high-demand, high-wage, & high-growth careers in the Coastal Bend Workforce Region is Health Science?
- P-Tech students experience hands-on work-based learning each year of enrollment

# **P-TECH REGISTRATION IS NOW OPEN**

- Registration is open now until the closing date of **AUGUST 1, 2023**
- Incoming 9th graders are welcome to complete the registration link found on the **GPISD P-TECH** webpage.

# P-TECH Options Comparison

## **Option 1: Continuing Education Courses / Industry Certifications**

---

-6 Semesters of Continuing Education courses through Del Mar college

---

-All students will have the opportunity to earn industry-based certifications

---

-EKG, Phlebotomy, Patient Care Tech, Certified Medical Assistant, EMT, or CNA

## **Option 2: Pathway to Licensed Vocational Nurse (LVN)**

---

-25 Dual-Credit hours earned in high school through Del Mar College

---

-Students apply to nursing school spring of Junior year and are enrolled in nursing school senior year of high school.

---

-Opportunity to earn LVN within 3 semesters after high school graduation. (Students may also earn industry-based certifications listed under option 1)

**Gregory-Portland ISD P-TECH  
Application (Fall 2023 Incoming  
9th Graders Only)**

# High School Specifics

# TESTING REQUIREMENTS FOR GRADUATION

---

Students take STAAR EOC (End-of Course) assessments for courses in which they are enrolled as part of their graduation requirement. The five (5) EOC assessments for graduation are:

- English I
- English II
- Biology
- Algebra I
- US History

**\*\*Students must earn an “Approaches” score on each of the five (5) assessments.**

In Summary

# 8<sup>TH</sup> GRADE SCHEDULING

---

- After counselors meet with students and assist them in entering their schedule into XELLO, have your student log into their account and double-check their course requests.
- The future schedule will only be open for editing during a one-week window, February 10-17, 2023.
- Please note that the master schedule and staffing for the following school year is built based upon student requests during the previous year.
- All requests for changes must be submitted via e-mail from a parent or guardian by the last day of the spring semester (May 25, 2023) to the appropriate counselor.
