## 2020-2023 ARP ESSER III Federal Grant Application

### Program Description PS3014 - Program Narrative

#### A. Pre-Award

Directions: Enter "No" if no activity is marked as pre-award in Sections A and B in PS3013. You must enter an amount if any activity is marked as pre-award in Sections A and B in PS3013. The combination of an activity marked as pre-award in Sections A and B in PS3013 and an amount entered below will constitute the required prior approval process for pre-award costs.

1. Enter the total dollar amount of ESSER III funds to be charged as pre-award costs for the activities indicated in Sections A and B in PS3013 as occurring during pre-award (March 13, 2020, through the application submission date).

\$1,113,059

#### B. Minimum Required Set-Aside

Directions: You must enter an amount that is at least 20% of your total budget. You will be required to report this set-aside by activity and student group in future reporting.

1. Enter the total dollar amount of ESSER III funds to be expended to meet the 20% minimum required set-aside for learning loss mitigation, including through afterschool, summer school, extended day/year programs, targeted to students from low-income families, students of color, English learners, children with disabilities, students experiencing homelessness, children in foster care, and migratory students.

1,020,590

2. Briefly describe the activities selected in PS3013 questions A16, A17, B1, B2, and/or B3. A response in at least one of these PS3013 questions is required.

Based on the various district needs assessments that were conducted it was determined that the district will plan and implement activities for afterschool tutoring and summer school targeting the needs of low-income students, SWD, English learners, migrant students, students experiencing homelessness and students in foster care to provide accelerated instruction due to COVID-19 learning loss during the 2021-2022 and 2022-2023 school years. Engaging, differentiated instruction aligned to evidence based instructional strategies and activities will be provided. Multiple data points, using a variety of high-quality assessments will be utilized to determine the comprehensive needs of students. Additionally, these assessment data points will be analyzed to determine student's learning gains and ultimately change instruction to meet student's learning needs. (A16) (A17)

3. Briefly describe the activities selected in PS3013 questions A6, A13, A15, A17, B1, B2, and/or B3. A response in at least one of these PS3013 questions is required.

Based on the various district needs assessments that were conducted it was determined that the district will utilize funds for the salary of a GAP Intervention Specialist during the 2021-2022 and 2022-2023 school years. The purpose of the GAP intervention specialist will be to address learning loss among LEA students, including low-income students, SWD, English learners, racial & ethnic minorities, students experiencing homelessness, & children in foster care -- Implementing evidence-based activities to meet the comprehensive needs of students. This GAP intervention specialist will review student achievement and assist with identifying students for appropriate intervention and support services. The district will address the social emotional and mental health needs through summer learning and after-school programs, and teach target interventions to students daily as appropriate using research-based strategies and resources.
