Terms and Conditions of Sale

Approval and Acceptance

All orders are subject to approval and acceptance at the Seller's office in Burlingame, California. The quoted prices are subject to acceptance within 30 days of this quotation date, and may change without notice after that time. Orders received within the 30 day period will be invoiced at the quoted figure provided delivery is accepted within 6 months of G-C's receipt of the order. When delivery is required by the client after the 6 month period (unless because of G-C's inability to make delivery) prices will be those prevailing at the time of shipment.

Prices and Freight Charges

Unless specifically quoted otherwise, all Garratt-Callahan (G-C) prices are f.o.b. destination, freight prepaid to any point in the Continental United States serviced by commercial truck lines. Alaska, Hawaii and all other destinations outside the continental U.S. will incur additional freight charges.

Note: The following exception applies:

A freight charge of \$100.00 will be added to shipments of chemicals less than or equal to 100 pounds gross weight. This charge does not apply to equipment, test kits or reagents.

As G-C prices include freight (except as noted above) you are not billed freight by the freight line.* In comparing G-C chemical formulation prices with those of companies that ship collect, a figure of approximately 6% should be added to their prices.

*When the customer requires special trucking such as ChemFeed delivery, chemical transfer, drum disposal, lift gate or stake trucks, weekend or holiday delivery, air freight, delivery within a building, etc., the charges will be added to the invoice. These additional charges will be billed separately unless included in a monthly, quarterly, or annual agreement.

International Orders

Buyer must pay the costs and freight charge to import the goods. Freight terms are EX-Works unless approved otherwise by the Burlingame Corporate Office.

Prices and Freight Charges – Maritime Sales

Maritime Sales are F.O.B Port within continental U.S.A. Selling prices are evaluated quarterly in order to determine whether a price change is warranted.

Applicable Taxes

Quoted prices do not include any applicable taxes or other charges levied by the government of the United States, any State, County, or local government body. Such levies, or charges, are to be paid by the Buyer.

Invoice Payment Terms

Terms are net 30 days and prices do not include any applicable sales taxes. Customers with unpaid invoices after 90 days will be subject to being placed on credit hold status until payment verification is made. Orders pending may be released at office or accounting manager discretion.

Where feeding and control equipment is proposed, the quotation includes only that equipment specifically listed. No wiring, piping, fittings or installation costs are included except as noted.

Note: The following exception applies:

International Sales Terms are letter of credit or wire transfer unless approved by the Burlingame Corporate Office.

Warranty and Return

Materials sold are warranted to be free of defects in composition or workmanship. All other warranties, whether expressed or implied, are excluded unless such warranties are expressed in writing and signed by an officer of the G-C Company. Upon inspection and instructions by the Seller, defective materials may be returned to the Seller. If found to be defective such goods will be replaced or repaired by the Seller. The Seller shall not be liable for any loss or damage arising from the use of such materials, either direct or consequential. The exclusive remedy against the Seller shall be that of replacement of defective materials.

Any chemical product provided to the customer becomes the property of the customer once the chemical container is opened, or a stored chemical exceeds its' expiration date. Chemical containers used in the management of the customers' water treatment system become the property of the customer. In addition, spill residue or spill cleanup materials of chemicals accidentally or inadvertently released at the customer's facility become the property of the customer. Unopened chemicals within their expiration date may be able to be returned to Garratt-Callahan upon approval, however, shipping will be the responsibility of the customer and there will be a restocking charge.

Note: For return of merchandise ordered in error, or that is not wanted for any reason, there will be a 20% restocking charge for full resalable drums of chemicals if prepaid to G-C plant; a 25% restocking charge if not prepaid.

Delivery and Losses

G-C will make every effort to provide the quoted materials and services promptly and on a schedule required by the Buyer and/or estimated by G-C. The Seller shall not be liable for losses, either direct or consequential, caused by delays in delivery resulting from labor disputes, shortage of raw materials, inability of suppliers to deliver or perform, losses or delays or damages while in the hands of a common carrier, fire, flood, riot, insurrection, and acts of God, or any other cause beyond the control of the Seller.

Right to Cure

Buyer shall give G-C written notice specifying any performance deficiencies and allow G-C a meaningful opportunity of no less than 90 days to correct prior to taking actions adverse to G-C.

Insurance

G-C shall be relieved of its obligations with respect to its warranties, performance goals, cost saving or usage goals or any other commitments, in addition to any other remedies it may have, in the event of Buyer's failure: (a) to operate the systems treated with G-C's Goods and all related equipment and processes ("Systems") within control parameters or, if none, within industry customary operating conditions; (b) to maintain the Systems in good operating order and repair; (c) to follow G-C's recommendations or to fulfill its responsibilities for System operation; (d) to communicate to G-C hidden or not obvious system, process, or equipment conditions affecting G-C's Goods or (e) to provide complete and accurate System data. In the event G-C fails to comply with any of Buyer's insurance requirements, whether imposed by contract or otherwise, Buyer's sole remedy shall be termination of purchases from G-C.

Exceptions

All orders are accepted solely on the basis of the above terms and conditions, regardless of contrary conditions set up in Buyer's purchase order, unless exceptions are clearly stated in writing and signed by an officer of Garratt-Callahan Company.

Indemnification

Each Party, by the execution and delivery of this Agreement, expressly indemnifies the other Party with respect to any and all liabilities, costs, including reasonable attorneys' fees, losses, claims, demands or judgments arising from or as a consequence of the actions, inactions or other activities of the indemnifying Party performed, or which the indemnifying Party has failed to perform, under or pursuant to this Agreement. The indemnifying Party, at the sole cost and expense of that indemnifying Party, will assume and will thereafter defend, utilizing legal counsel and other consultants who are specifically approved, in advance, by the Party being indemnified, any lawsuits or other litigation which is instituted or filed against the indemnified Party, or where the indemnified Party is subsequently impleaded or joined, by reason of such actions, inactions or other activities by or on the part of the indemnifying Party.

Continuing Legal Compliance

Any provision of this Contract to the contrary notwithstanding, if Buyer determines, subsequent to the Execution Date of this Contract, that any of the terms of this Contract materially violate any provisions of state or federal law which, if enforced, would jeopardize the ability of Buyer to continue to participate in the Medicare and the Medicaid health care programs, or in any other federal or state health care programs, or would jeopardize the continued federal tax-exempt status of Buyer, or any entities which are affiliated with Buyer, or would result in the imposition of any excise taxes under federal income tax laws or would potentially subject Buyer to any civil monetary penalties or criminal prosecution, then the Parties agree to immediately endeavor to renegotiate terms which would result in Buyer being in appropriate legal compliance, in Buyer's opinion. If the Parties are unable to timely agree on such terms, however, Buyer may terminate this Contract by delivering at least a thirty (30) day notice to Seller.

Assignment

This agreement cannot be assigned by either party without the prior written consent of the other, except to a parent or subsidiary or a subsidiary of its parent, or to a successor by merger, consolidation or purchase of substantially all the assets of at least that portion of the assigning party's business related specifically to this agreement.

Equal Opportunity

This contractor and subcontractor shall abide by the requirements of 41 CFR §§ 60-1.4(a), 60-300.5(a), and 60-741.5(a). These regulations prohibit discrimination against qualified individuals based on their status as protected veterans or individuals with disabilities, and prohibit discrimination against all individuals based on their race, color, religion, sex, or national origin. Moreover, these regulations require that covered prime contractors and subcontractors take affirmative action to employ and advance in employment individuals without regard to race, color, religion, sex, national origin, protected veteran status or disability.

Termination Without Cause

Anything herein to the contrary notwithstanding, Buyer may terminate this agreement at anytime, without cause and without penalty, upon ninety (90) days prior written notice to G-C. If Buyer terminates this agreement for G-C's breach, or in accordance with this provision, G-C shall refund to Buyer, within ninety (90) days of the effective date of such termination, any prepaid but unearned fees paid to G-C.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed by their duly authorized representatives as of the date(s) set forth below.
