Letter to Households, Community Eligibility Provision (CEP)

Aug 2, 2021

Dear Parent or Guardian:

The Gregory-Portland ISD announced today it will continue its policy to operate the Community Eligibility Provision (CEP) under the National School Lunch (NSLP) and School Breakfast Programs (SBP) for the 2021-2022 School Year. Schools qualifying to operate CEP serve one breakfast and lunch to all children at no charge eliminating the collection of meal applications for free, reduced-price, and paid student meals. This new approach reduces burdens for both families and school administrators and help ensure that students receive nutritious meals. A-La-Carte items as well as second servings will be available for A-La-Carte prices at all grade levels
