Schools may allow spectators to attend games, contests, or events within a maximum 50% capacity limitation, provided that appropriate spacing between spectators is maintained according to the protocol and according to the following:

- Schools and/or host sites should post visible signs and/or messaging stating any individuals who are confirmed to have, suspected of having, are experiencing symptoms of, or have been in close contact with an individual who has been confirmed to have COVID-19 should not enter the facility.
- All employees, parents, visitors, and students ten years of age or older must wear face coverings or face shields upon entry to an area where UIL activities are being conducted and when not actively practicing or playing in the contest.

***Exceptions:** Any person with a medical condition or disability that prevents wearing a face covering or while a person is consuming food or drink. Must be prepared to show proof of condition/disability.*

Sites are encouraged to utilize remote ticketing options to help manage capacity limitations within a maximum 50% occupancy. Paper tickets and programming should be minimized to help avoid transferable materials. Full UIL Covid-19 Guidelines <https://www.uil texas.org/policy/covid-19>.
