

Calallen ISD

COVID-19 Stadium Procedures

Before visitors are allowed access to areas where UIL activities are being conducted, they shall be screened for COVID-19 using the following protocols:

- Verbal screening will be used to determine whether an individual has:
 - Tested positive for COVID-19 in the past 14 days;
 - Had close contact with an individual who is lab-confirmed COVID-19 in the past 14 days; or
 - Experiencing any of the known symptoms of COVID-19.
- Any person who has answered yes to a screening question will not be admitted into school facilities where extracurricular activities are being conducted.
- All visitors will be temperature checked for fever and hands will be sanitized at entry.
- Face covering protocols will be followed – masks are required at all times.
- Social distancing will be required, including marked stadium seating.
