

The Ultimate Peace of Mind for Employees and Their Families

The Harrison's Story

- Jim and his family were at a local festival when his daughter, Sara, suddenly began experiencing horrible abdominal and back pain, after a fall from earlier in the day.
- His wife, Heather, called 911 and Sara was transported to a local hospital, where it was decided that she needed to be flown to another hospital.
- Upon arrival, Sara underwent multiple procedures and her condition was stabilized.
- After further testing, it was discovered that Sara needed additional specialized treatment at another hospital requiring transport on a non-emergent basis.

Based on a true story. Names were changed to protect identities in compliance with HIPAA.

And then, the Bills came!
