

# ONLINE MATERIAL SAMPLE INFORMATION

## SECONDARY MATH 2026

### STEMscopes – Accelerate Learning

Grades 6<sup>th</sup>-Algebra 1; Digital Platform information

URL:

<https://stem.acceleratelearning.com/login/adoption/registration?registrationToken=fHbSnPWD7NDHi79P1BKN-SAHWobYqRPmMiajsrCX7Xk&eventCode=txmath>

Each person will need to create a username. DO NOT use a GPISD email since staff already have accounts with Accelerate Learning. This way the computer doesn't get confused.

Verify their account through email. The recommended password is: STEMscopes\_2025!

---

### Agile Mind

Please visit [explore.agilemind.com](https://explore.agilemind.com)

Username: Gregory

Password: Cats

For anyone who hasn't seen the platform, here is a great [Welcome Video](#) to get them oriented to Agile Mind while they're looking through the content.

### Envision+ - Savvas

enVision+ TX Mathematics demo info:

Go to [savvasrealize.com](https://savvasrealize.com), login using the credentials below.

Username: Savvas4Math

Password: Texas2026

[6-8 enVision+ TX Mathematics Teacher Experience](#)

[AGA enVision+ TX Mathematics Teachers Experience](#)

While navigating please also be sure to check out the following:

- **BrainingCamp Digital Manipulatives:** Interactive math digital manipulatives are embedded within enVision+® TX Mathematics for Grades K-8. This partnership gives students access to world-class, interactive modeling tools to improve conceptual understanding!

- **Savvas Studio:** AI Teacher Tools, built right into **Savvas Realize**® and designed to support *enVision*®+ TX *Mathematics* in ways that are smart, simple, and student-centered.
- We all know that good data drives instruction. Here is an in depth video of **Savvas Realize Data Reporting Tool**, showing the level of data available to both teachers and administrators with *enVision*®+ Texas *Mathematics*.

We hope this makes getting started easy for you! Below are also videos navigating the Student Experience for your convenience.
