Good morning,

At this point this is the only physical copy of a title that has been requested. If you would like to

share online samples, I will make sure the committee has access.

Thanks,

Anissia Hedrick

Hi Anissia!

Happy to send you a copy of this title! Is your district reviewing any of the other titles that are part of this adoption? We have 6 on-list titles available for review. I wanted to make sure before I sent the Engineering title over to you. Thanks!

Good afternoon,

G-P would like to review a sample of Engineering Fundamentals: Design, Principles and Careers. Please provide online access as well. Just one copy is needed. It can be sent to the address below.

We are a closed district so please communicate only with me directly. Our committee members will be attending the ESC2 Expo on February 1. Let me know if you have any questions.

Thanks,

Anissia Hedrick
