Hi Robyn,

It was great speaking with you! I just sent the request to send you print samples of PhD Science TX grades K-5. I will follow up in a couple weeks just to make sure you received them.

In the meantime, you can review our [District Review Page](#) that houses the Implementation Guide, Pacing Guides, Teacher Editions, Student Logbooks, Digital Access, etc. to learn more about the curriculum. If you would like to schedule a meeting to discuss further, [@Amanda McQuade](#) and I would love to learn more about your goals for science instruction.

Here is access to the digital platform:
