Anissia,

Great talking with you earlier. The K-5 samples are being sent to you.
You will receive an email letting you know it's on the way :D

In the meantime, here is the online access for our Science Demo
& please share with any and all who need it :D

Good morning,

Appreciate you reaching out. We would like to have physical samples delivered as well as online access. G-P is a closed district so please communicate with me directly. Staff on the adoption committee will be attending the ESC 2 Textbook Expo on February 1. If an additional presentation is required, I will notify you as soon as possible after that date. Please let me know if you have any questions.

Thanks,

Anissia Hedrick

Hi Anissia,

Just wanted to say that it was nice meeting you at IMCAT !!!

Please reach out for any needs concerning the science adoption -
or let me know who else I should speak to regarding the adoption -
samples, presentations, and such.

I appreciate it

Have a great rest of the week :D
