

Gregory-Portland ISD, Texas Proclamation 2024 Instructional Materials Adoption

CompuScholar Curriculum Samples for Tech Apps and CTE

Thank you for considering CompuScholar's online **Computer Science** and **Digital Literacy** courses for your review and adoption. Our courses are delivered through a web-based Learning Management System; there are no physical components. This document contains your online review logins, instructions, tutorial links, and Texas alignment information.

The following courses are available through **Proclamation 2024**:

Grade	Texas Standard	CompuScholar Title
6	Technology Applications 6 th Grade	<i>Tech Essentials</i>
7	Technology Applications 7 th Grade	<i>Tech Essentials</i>
8	Technology Applications 7 th Grade	<i>Tech Essentials</i>
9 – 12	Fundamentals of Computer Science	<i>Computer Science Foundations</i>
9 – 12	Computer Science I	<i>C# Programming</i>
9 – 12	Computer Science I	<i>Java Programming</i>
9 – 12	Computer Science II	<i>Java Programming</i>

All courses have been **recommended by the TEA** as meeting **100% of the TEKS** for the listed Texas standards. Notice that some courses meet multiple standards. For a complete list of titles and TEKS alignment details, please visit our Texas landing page:

<https://www.compuscholar.com/texas/>

CompuScholar publishes additional 100%-aligned titles for **Principles of Information Technology, Web Design, and Video Game Design**. We are also a **College Board-endorsed** provider for **AP Computer Science Principles** and **AP Computer Science A**.

Your review login (below) is enrolled in **all CompuScholar courses** as both a student and teacher, so you can see all available material.

We support [auto-rostering and SSO](#) through **Clever** or **ClassLink**. We also support the [integration of courses into a district LMS](#) like **Canvas** or **Schoology**.

Login URL and Review Credentials

We have created the following 180-day review login for your district. It may be shared among any number of district reviewers, and we will gladly extend the time upon request.

Login URL	https://learning.compuscholar.com
Username	gp_isd
Password	Proc2024

Per Proclamation 2024 guidelines, publicly posted review samples on the TEA website do not contain protected content. Please use the review login above to access all teacher material.

Tutorials and Free Professional Development

Please read our **Getting Started Guide** for an overview of how to use our online curriculum:

<https://www.compuscholar.com/samples/GettingStarted.pdf>

We offer **Professional Development webinars** at the beginning of the school year to help orient teachers to our online system. **Prior to your evaluation**, we encourage you to watch a recording of this webinar for a **system tour** and other important information:

<https://www.compuscholar.com/schools/outreach/profdev/recording>

We also support aspiring Texas CS teachers with **free Praxis CS (5652) exam preparation**:

<https://www.compuscholar.com/schools/standards/states/texas/praxis>

We offer **“Skill-Building” opportunities** where any teacher can sign up for and take a CompuScholar course for free to learn new skills. These sessions are open twice a year:

<https://www.compuscholar.com/schools/outreach/skill-building/>

Finally, as an **endorsed College Board provider** for AP Computer Science A and AP Computer Science Principles, we offer free **AP Professional Learning** for both subjects:

<https://www.compuscholar.com/schools/outreach/ap-csa-professional-learning/>

<https://www.compuscholar.com/schools/outreach/ap-csp-professional-learning/>

If you have any questions, don't hesitate to reach out to your CompuScholar contact through your district-approved communication channels:
