PW=ilovesummit

- Science grades K-8, English Language
- Science grades K-8, Spanish Language
- High School Science – Chemistry, Physics, Biology, IPC

When you log in you will have a home page first; scroll for more information about Summit K12. To access the digital content, click on **My Courses**

You will see all grade levels or you may use the drop down to select one course only (high school) and English or Spanish content.

Start with the **Teacher Resources**. TEKS are releasing from the TEA server to the approved content LMS daily. Completion January 8th. You will find **TEKS included are K.7A (Span also), 1.6A, 2.10A, 3.7B (Span also), 4.12B, 5.6D, 6.9A, 7.12A, 8.8A, Bio B.13A, Chem Unit 7.1 (C.10A, C.10C), IPC Unit 4.1 (IPC.8A), Phys Unit 7.1 (P.7D).** Additional TEKS are releasing **daily**. You may request corresponding print samples from Kimberly Santos, Director of School Partnerships via email [Kimberly.santos@summitk12.com](mailto:Kimberly.santos@summitk12.com) or 956.451.0093 cell.

# 2024 Proclamation Science Adoption

## 2024 SCIENCE ADOPTION K-12 CURRICULUM

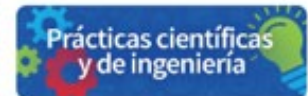

- 100% aligned to TEKS & ELPS
- Scientific & Engineering Practices (SEPs)
- Recurring themes & concepts (K-8), vertically aligned scaffolds
- Evidence-Based Reasoning & Phenomena-Based Instruction
- Differentiated, Adaptive, Personalized Learning Plans
- Rigorous Five-Step STAAR Review Sequence
- Simulations, animations, virtual labs, & interactives
- 100% passing rate guarantee & Science Domain 1 score of 60%

## Science Grades K-8 Spanish Language

*(trans-adapted for authentic language)*

**Science STAAR 2.0 Benchmarks & Personalized Learning Plans Included!**  
**All New Item Types Included**

Virtual Field Investigations

Labs with Kate the Chemist
