

BOARD GOALS & SUPERINTENDENT PRIORITIES

- Gregory-Portland ISD | October 2018 -

Board Goal 1: Students will make a year's growth each year in reading & math; overall student achievement will increase under the state's measurement, and we will meet expectations for closing the performance gaps between student populations.

Superintendent Priority (SP) 1.1: The calculated 'overall rating' for the district under the state's adopted A-F accountability system will increase by 7 points from an 85 (B) to a 92 (A) by 2023.

Annual Targets:

Year	Target Goal
2019	87%
2020*	87%
2021	89%
2022	90%
2023	92%

88%

On Target

**Probable change in economically disadvantaged population following influx in prior year(s) as a result of Hurricane Harvey / McKinney Vento.*

BOARD GOALS & SUPERINTENDENT PRIORITIES

- Gregory-Portland ISD | October 2018 -

Board Goal 2: The district will improve Early Childhood Readiness (PK-3)

SP 2.1: The percent of students (K-3) meeting the NWEA projected RIT growth measure in both Reading & Math from Fall (Beginning of Year) to Spring (End of Year) will **increase by 14%, from 49% to 63%, by 2023** on the NWEA MAP Growth evaluation.

Annual Targets:

Year	Target Goal
2019	51%
2020	54%
2021	57%
2022	60%
2023	63%

67%

MET GOAL

SP 2.2: The district will **increase Pre-K enrollment by 45% of current enrollment (83 students), by the year 2023.**

Annual Targets:

Year	Target Goal*
2019	+ 9%
2020	+ 18%
2021	+ 27%
2022	+ 36%
2023	+ 45%

+9.2%

EOY (5/23) - 92 students

Current Enrollment – 80 as of 8/16/2019

On Target

**Percentage increase(s) from the base amount (current enrollment, 83 students).*

BOARD GOALS & SUPERINTENDENT PRIORITIES

- Gregory-Portland ISD | October 2018 -

Board Goal 3: The district will increase the number of students who graduate College, Career, or Military Ready (CCMR) as defined by the state accountability system.

SP 3.1: The number of students who successfully achieve the college-readiness designation through completion of 12 hours of dual-credit, scoring 3 or 4 on an AP exam, CTE coherent sequence completion, performance on an SAT/ACT/TSI assessment, receiving an Associate Degree, Armed Forces enlistment, workforce readiness, and/or receiving a recognized industry certification in a technical field **will increase by 10% from 51% to 61% by 2023.**

Annual Targets:

Year	Target Goal
2019	53%
2020	55%
2021	57%
2022	59%
2023	61%

59%
