

Getting started with Sora

With Sora, you can borrow free ebooks and audiobooks from your school.

1

Install the Sora (by Overdrive) app on your personal device or go to <https://soraapp.com/library/texasr2tx>

2

In Sora, find Gregory-Portland ISD. Our district is part of the Texas Region 2 Area Schools group. Then sign in with your school username/email address and password/ID #. Under the menu options, you can also link to the public library with your public library card and PIN number.

3

Browse the Explore tab and borrow a book or audio. Your book will open so you can start reading or listening right away.

4

Close the book and go to your Shelf to see all your books (including books assigned by teachers). From there, you can:

- Tap Open Book or Open Audiobook to read or listen to the book.
- Tap Options to renew or return the book, get to your notes and highlights, and more.
