**G-PISD Seeks Community Input to Aid in
Hiring New Athletic Director**

Gregory-Portland ISD posted a job opening this week for a new Director of Athletics/Head Football Coach, as well as a request for community input to help prioritize qualifications during the hiring process. Community members are asked to submit their ideas in writing using a Community Input Form now posted on the district website: www.g-pisd.org.

Hard copies of the form will be available at the G-PISD Administration Building and at every school campus. The deadline to submit is Friday, March 4, 2016.

“We certainly want to hear from the community and give everyone a voice in this process,” said Randy Eulenfeld, President of the G-PISD Board of Trustees. “(The board) already discussed some of our priorities for this position, and we want our community to add to that (list).”
