Dear Parent/Guardian:

If you are interested in re-applying for your child(ren) to attend G-PISD Schools as an out-of-district transfer student(s), please visit the Gregory-Portland ISD website at [www.g-pisd.org](http://www.g-pisd.org). There you will find a link for the **Student Transfer Renewal Application for 2018-2019 School Year**. Once you have completed an application(s) for your student(s), please sign and return the form by May 1, 2018 to: Cindy Hartley, Superintendent's Office, 608 College Street, Portland, Texas, 78374. Scanned, faxed or duplexed copies of the application will not be accepted. Please submit only the **ORIGINAL** signed application.

If you do not have printing capabilities, **RENEWAL** application packets are available at Central Office, 608 College Street, Portland, Texas, in the reception area.

Tuition is reviewed and set by the Board of Trustees annually. The Board of Trustees has decided to maintain a \$0 per student tuition rate for 2018-2019.

Please be advised that the Superintendent may revoke the transfer of a student for violation of Board policy, violation of Student Code of Conduct, failure to supply required documentation for enrollment, failure to maintain a 94 percent attendance rate, excessive tardies, failure of a course, failure of a State test and/or requiring additional staff to ensure academic success.

**Please be reminded that G-PISD will not provide transportation to and from the district of residence and will continue to assign all elementary students to a campus according to space availability on each campus for each grade level.**

Your timely return of this form is appreciated. You will be notified by this office of the renewal status by June 21, 2018.

Sincerely,

Paul Clore, Ph.D.  
Superintendent

**RENEWAL ONLY - NON-RESIDENT TRANSFER AGREEMENT**  
**2018-2019 SCHOOL YEAR**

This is an agreement concerning the transfer of \_\_\_\_\_ (“**Student**”), a nonresident student, into the Gregory-Portland Independent School District (“**District**”). The agreement is entered into by \_\_\_\_\_ (“**Parent**”), on behalf of the student and Dr. Paul Clore, Superintendent, on behalf of the District. The agreement is effective only after being signed by both the parent and the Superintendent of the District.

**Recitals**

- 1.1 **Nonresident status.** Neither Parent nor Student is a resident of Gregory-Portland Independent School District. Student desires to enroll in the District. Parent agrees to pay the tuition, if applicable, set by the District in order for Student to attend school in the District.
- 1.2 **Application only.** The Parent’s signature below constitutes an application for transfer of the Student. No transfer is effective until the Superintendent’s signature appears on this document.
- 1.3 **Transfer criteria.** Transfer applications are considered on an individual basis without regard to sex, race, national origin, color, religion, disability, ancestral language, or any other protected characteristic. In making transfer decisions, the Superintendent may consider Student’s attendance, academic history, including but not limited to performance on State assessments, and disciplinary history, as well as District’s class sizes, available resources, and any potential effect on resident students. The District will accept nonresident transfers that meet the criteria of Civil Order 5281 (concerning impact of transfers on percentage of minority students). The student must have no more than 11 absences during the previous year. Transfers may be denied if approval of the transfer would cause the student/teacher ratios in grades K-6 to exceed 22:1. Transfers must not create the need for additional course offerings at the secondary level. The transfer must not create the need to employ additional personnel.
- 1.4 **UIL.** Parent acknowledges that the constitution or rules of the University Interscholastic League (UIL) may require the District to exclude the Student from participating in certain extracurricular interscholastic competitions.
- 1.5 **G/T Program.** All students who were identified G/T in another district will be placed in the District’s program for gifted and talented students.
- 1.6 **Consent to release of records.** The Parent’s signature below constitutes consent by the parent for District officials to obtain and review, for the purpose of the application for transfer, copies of the Student’s records maintained by any school district, charter school, or private school in which the Student has been enrolled, including the school in which the Student is currently enrolled, if any.
- 1.7 **Transfer process.** A nonresident student wishing to transfer into the District must file an application for transfer with the Superintendent or designee by May 1<sup>st</sup>, prior to the school year for which the transfer is requested. Any other requests shall be considered by the Superintendent on a case-by-case basis.

- 1.8 **Transportation.** The District will not provide transportation to and from the district of residence.
- 1.9 **Elementary Campus Assigned.** The District will assign all elementary transfer students to a campus according to space availability on each campus. This campus assignment is subject to change each year in grades PK-5.
- 1.10 **Notice.** The District does not grant out-of-district transfer requests for any of the following reasons: (1) To avoid disciplinary actions in another district; (2) During an expulsion term of the student; or (3) To participate in UIL varsity athletic or academic extracurricular activities.

### **Mutual Promises**

- 2.1 **Term of Agreement.** This transfer Agreement shall expire on the last instructional day of the 2018-2019 school year unless otherwise canceled or revoked under the terms of this Agreement. All non-District residents seeking approval for transfer to the District must annually complete and submit a transfer application. A student has no property interest or right to become or remain enrolled in or to receive educational services from the District. Prior transfer status with the District does not guarantee or create any entitlement to approval of a transfer application.
- 2.2 **Tuition.** The annual tuition amount to be paid by the Parent is \$0.00.
- 2.3 **Parent's right to cancel.** The parent may cancel this agreement by giving 30 days written notice to the Superintendent or by becoming a resident of the District. In case of cancellation, the District will not refund any pre-paid tuition.
- 2.4 **Superseding law.** The District may revoke this agreement if it receives notice from the Texas Education Agency or from any court of competent jurisdiction that the transfer the subject of this agreement is in violation of Civil Order 5281 (pertaining to state-wide desegregation plan) or other law regulating discrimination on the basis of race, ethnicity, or national origin. The District may revoke this agreement if any of its terms become unlawful by act of the Texas Legislature. In the event that this agreement is superseded by law, the District will refund a pro-rata share of any pre-paid tuition.
- 2.5 **Rights and duties.** Except as provided by this agreement, the non-resident Parent and Student possesses all rights and agree to perform all duties provided by law and policy for resident parents and students.
- 2.6 **District Policies and Rules.** The parent and the student understand that the student is required to comply with all policies, rules, procedures, and expectations of the District to the same extent as resident students, including but not limited to Board Policies, student handbooks, classroom rules, the Student Code of Conduct, and the directives of teachers and administrators.
- 2.7 **Student infraction.** Any conduct by the Student that would require removal to an alternative education placement (AEP) or expulsion for a resident student, or that constitutes "serious" misconduct under the District's Student Code of Conduct, shall

result in revocation of this agreement. At the Superintendent's discretion, in consultation with the campus Principal, any conduct by the student that could result in a discretionary AEP removal may result in revocation of this agreement.

2.8 **Revocation.** The District may immediately revoke this agreement for any lawful reason and provide reasonable notification to Parent. Lawful reasons include, without limitation, notification by an agency of the state or federal government that the transfer contemplated by this agreement is not authorized by law, or any disciplinary infraction or condition under which this agreement permits revocation including but not limited to:

- a. The student's attendance has fallen below 94% in any semester.  
(example: no more than 11 days absent for 176 days)
- b. The student has earned repeated failing grades in any class.
- c. The student has engaged in repeated minor violations of the Student Code of Conduct.
- d. The student has engaged in any gang-related activity.
- e. The student has engaged repeatedly in behavior that hinders the learning of other students.
- f. The student has engaged in conduct that is disruptive to the educational process of the District.
- g. The student's vaccination record becomes out of compliance with state law.
- h. The student's tardies exceed eight for the year.
- i. The student has failed one or more State assessments.
- j. The student owes money for any item such as textbooks, breakfasts or lunches, extra-curricular activities, library books, etc.
- k. Other reasons deemed appropriate by the Superintendent.

Upon the occurrence of any of the listed circumstances, the Superintendent shall, before making a decision, receive the recommendation of the campus Principal concerning the status of the transfer. If the transfer is revoked, the District will notify the Parent and the Student's school district of residence.

2.9 **Revocation Appeal.** If Parent or Student disagrees with the initial decision of the Superintendent, an appeal before the Superintendent may be requested in writing and delivered to the Superintendent, who will schedule a hearing within 10 days. If Parent or Student disagrees with the final decision of the Superintendent, an appeal before the Board may be requested in writing and delivered to the Superintendent, who will schedule a hearing within 10 days. Except in cases in which the Principal has ordered expulsion or any discipline-related removal of the Student, the Student will be allowed to remain as a District student until the Superintendent or Board has rendered a decision.

2.10 **Re-enrollment.** The parent agrees that, in the event of revocation, the student will be immediately enrolled in the district of residence, another public school, or a private school that meets the curriculum requirements of state law.
