

# EAST CLIFF ELEMENTARY PTO

## 2020-2021 MEMBERSHIP FORM

Please accept this invitation to join East Cliff Parent-Teacher Organization (PTO). The PTO is an organization that works together to enhance the education of our children through enrichment programs and events. The PTO also supports our teachers and staff through hospitality activities. We need your support to help raise funds to support all PTO activities. Through PTO involvement, you will make new friends and build a strong connection to your child's scholastic environment.

**Our school year has started off slowly because of the Covid – 19. Please note that as PTO we are not allowed in the building as of yet, so we are trying to do as much as possible within our limits.**

Please fill in the following information and attach check (payable to East Cliff PTO) or cash. Venmo is also available! If you choose to pay with Venmo, please give me a call so I can fill out membership form for you. If paying with cash or check, forms can be sent to school with F2F students or can be dropped off at 314 Erie Dr. Virtual students can use the porch drop off option or Venmo option.

**Please call or text Jessica Rodriguez at 361-960-0728 with any questions or concerns.**
