

No-Cost Texas Success Initiative (TSI) Preparation Course

The Education Service Center, Region 2 Crossroad Adult Education and Literacy Program will be offering no-cost TSI preparation courses to **students who have graduated** from high school and are preparing for college in the fall. Students who pass the TSI math, reading and writing tests show readiness for success in college level courses and can avoid paying college tuition for developmental courses.

Interested students can sign up to attend the Math and/or the Reading and Writing Course during the weeks of June 3 through June 14, 2019 or June 17 through June 28, 2019 if they qualify.*

All course are Monday thru Friday for two weeks.
